Dear Mrs Gustin,

I have received a nomination for Mrs Victoria (Vicki) Maria Fontana of 64 Station Street, Fairfield, New South Wales to be recognised by an award in the Order of Australia for her service to the community, particularly the Italian community. I have been informed that Mrs Fontana was Vice-President of the Sorella Radio Child Care Centre, Fairfield for four years.

All nominations are considered by the Council for the Order, an independent body, which makes recommendations for awards to the Governor-General. My task is to gather as much information as possible about each nominee and their service before nominations are considered by the Council and recommendations made to the Governor-General. Your comments and any information you may be able to let me have about Mrs Fontana would be greatly appreciated and will remain strictly confidential. If you could also provide me with the names and addresses of other people who may be able to comment on her contribution, it would be most helpful.

I would be grateful if you could let me have your reply at the earliest opportunity.

Yours sincerely,

A handwritten signature in cursive script that reads "Janice Russell".
