Dear Dino,

Now that the election is over, and all the results are known, I would like to express my sincerest thanks to you and Mama Lena for your support during the election campaign.

Regrettably not one of the six Italian candidates was elected, however, I hope that this will not cause too much disappointment and that next time we can field as big a team, however with greater success.

You will recall my suggestion, before the election, to form a loose grouping of ethnic state council delegates etc to plan strategies for the future. I think that the result of this election, showed us without doubt the need for just such a strategy.

I hope to catch up with you at the next ISB meeting, where we may be able to discuss some of the issues further.

Once again, thank you for your help and support.

Kindest regards,

**Tony Gentile**
