Carissimi Dino e Lena

This is a belated note to acknowledge officially the small consignment of papers that you left at the Library while I was on leave in early October, and to thank you for your hospitality when I visited on 25 October.

I was pleased to see Dino in such fine spirits and pursuing an active convalescence. Both of you make an irrepressible couple !

I return with thanks the issue of *Convivio* Vol.2 No.2, Oct. 1996, which I borrowed.

The *La Dolce Vita* ? exhibition panel concerning Lena has been set aside and I shall ring you in the next few weeks to arrange its delivery.

Tanti cari saluti
