Dear Mamma Lena, Dino,

Firstly thank you to you both for attending the Blessing of our new office premises last Sunday afternoon. I feel that Father Giacomo's closer involvement with Handital in the future will do nothing but benefit this Association, and the people we are striving to help.

Secondly thank you for arranging to take the photographs that you took to La Mamma. As you will be aware, they published quite an extensive article in yesterday's edition. If its possible could you let me have the negatives, I will return them to you when I have had them copied.

Mamma Lena you mentioned to me that if you could be of any assistance to ask you. I don't want to impose upon you, as I know that you are involved with so many worthwhile causes. However there are two areas that if you could help me, I would be very grateful. They both relate to our Charity Quest, we need to attract more entrants, do you know of any young ladies over the age of fifteen who may like to become involved? Because of the introduction of the Quest this year, both Alitalia, and Stefano Jewellers are sponsoring that, not our raffle. We have a South Pacific Cruise as our major prize for the raffle this year, but we are seeking other sponsors, do you know of any business people who could help us?

Thanking you for your support.

Kindest regards,

Susana
