Dear Sir,

I am Lena Gustin, better Known, as Mamma Lena, and I am writing on behalf of Mrs. SUZANNE CHARLES, who currently lives in flat 18,96-98 Tempe St., Greenacre.

I have come to know Suzanne, since she became my friend. Because she cannot write well in English, I have decided to help her in her request, also because I did help many other people in this matter before.

Mrs. Charles would like to move from Greenacre to Campsie and, as I understand, she has already made an application to Your Department in this effect. The reason she would like to move is because she needs to be close to her sons as she is quite ill herself.

I feel that her case would warrant an overview, as her circumstances have changed and her health is failing.

I would be most grateful if You could give urgent consideration to this case as she has been seeking to be near her children for a long time.

Thank You,

Yours sincerely,

(Mamma Lena)-Lena Gustin.
