Dearest Lena,

Have tried to ring you, but have been out of luck.

Firstly: No Australian publishing house will publish anything in another language.

The firms I discussed this with suggested two things:

Either (a) send the "dummy" ...i.e. the articles, photos, certificates, etc, in ITALIAN, all complete, to an Italian publishing house. or

(b) have one of the Italian newspapers here, either set it up, the whole lay-out, and send it to Italy, or else publish it themselves.

If you sent the dummy to Italy to be printed, it could then come back here and be bound.

You can check most of the good books around are printed -- typeset -- in China or Hong Kong. We can't afford the wages here!

Hope this is of some use to you, and hope to see you again soon,

Best love -  
Lena  
:-)
