KINGS CROSS.

Dear Mamma Lena,

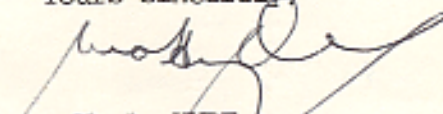

The Sisters of Charity and Appeals Committee of St. Joseph's Hospital wish to thank you for the free advertising which you made available for the family Barbecue that was organised recently for St. Joseph's by the St. John's Parish in Auburn.

The function was an outstanding success and we feel that your assistance in advertising the function played a substantial part in that success.

We are grateful for your interest and support for St. Joseph's.

Best Wishes for the Christmas Season.

Yours sincerely,

W. A. HYDE,
Chief Executive Officer.
