Dear Mamma Lega,

I'm so sorry
for not writing to you sooner
But it's been difficult to
find the time since all my
five children have recently had
the flu in one form or another.
I take this opportunity to thank
you for your book which I am
still reading but what I have
read has been extremely interesting
& has also brought back many
fond memories of the days when
I myself was back home.

I listen to your ⁱⁿ programme ^{radio} regularly & I think you are doing a marvelous job. I would like to hear from you again in the near future whenever you have a few moments to spare.

Yours sincerely
John J. Decker
