Dear Sirs

Nina Mauro

2 KIRRANE ST. PHILADELPHIA

9-2-71

My name is Nina Mauro, and I already wrote to you quite a few times about wishes, I listen to your program and enjoy it every time. I love Italian records and I wish I could have all of them but we all can't have everything in life. Any way I wrote to you to say how I liked Richard Daniela taking to you on Monday and I also liked the way he sang & what to give him and the wonderful group The EUPHONIC which I like very much 10 points. If you have the record A CHI POTTE SI TELEFONO NRE by Richard Daniela that I heard when he sang it at the ST. ANTONIO FESTIVAL and me and my friend and sister wanted if you could play it in the you program on Monday 15 February.

Our names are Teresa Mauro, Nina Mauro Rosetta Scibilaci of Five Duck Thank you and I hope I will meet Richard one of this days

Love

Nina Mauro
