HANKSTOWN.

Dear Miss Gustin,

Thank you very much for your letter regarding an audition for Miss Lilly De Giovanni for my television show "Sing Sing Sing". I have passed it on to Mr. John Barnes in our Talent Department and he will be getting in touch with you as soon as auditions are being held. This may be quite some time as the waiting list is considerable.

May I take this opportunity to wish Miss De Giovanni every success with her ambitions to become an artist and I hope some day that I may have the pleasure of working on a show with her.

Yours sincerely,

johnny o'keefe.
