San Remo Song Festival

Dear Sir,

I would like to express my gratitude to the Management of Channel 9 for the recent T.V. transmission of part of the San Remo Song Festival. From the many letters I have received commending it, I can assure you that the programme gave immense pleasure to all the Italians who watched it, and I know that many non-Italian viewers also enjoyed it.

You may be interested to know that I have received one letter from a Mrs. Angelina Nazzaro who is the aunt of one of the singers who appeared at Festival (Gianni Nazzaro, who sang "L'Amore e' una colomba"), and she as expressly requested me to pass on to your her personal thanks for the T.V. presentation. As you can well imagine, it was a wonderful experience for her to see and hear her young nephew performing in what is Europe's most highly-reputed song Festival.

I would also like to thank you for granting me permission to broadcast the songs from Channel 9's recording of the Festival in my programme on 2CH

Which much appreciation,

Yours sincerely,

(Mrs) L. Gustin.
