Dear Mr. Snedden,

Through your Mr. Metcalfe I have been informed of your decision to allow Mrs. Carlo Coquio and her children to return to Australia. This news brings me joy, and may I say thank you for your generosity in accepting Mrs. Coquio as a special case.

Mr. Coquio has already lodged the necessary forms for despatch to the Chief Immigration Officer, Rome, through your Department.

On my and his behalf I express our extreme gratitude for what you have done for him and his family.

Yours sincerely,

Cav. Lena Gustin, M.B.E.
