Dear Mr & Mrs Gustin

Thank you for your invitation to Mrs Mackellar and me to join you in a Dinner Dance and official launch of your Autobiographical Book at the APIA Club on 6 May.

Regrettably we are already committed to another function on that evening and we will not be able to join you in what, I am sure, will be a very enjoyable and successful evening.

We wish you every success with the launch of your book and with the opening of the "Museum". Thank you again for your very kind invitation.

With best wishes

& kindest regards

Yours sincerely

Michael Mackellar
