Mamma Lena,
P.O. Box 145,
LAKEMBA. N.S.W. 2195

Dear Mamma Lena,

Once again, I would like to thank you for the hospitality extended to my wife and I recently. We were both extremely privileged to have been present and as part of the Italian Community living in Australia, took much pride in the launching of your book.

As previously mentioned to you, I would love the opportunity to return some of your hospitality and to this end, formally extend to you and your husband, an invitation to join with us in Goulburn on Sunday, 24th July, 1988 when members of the Italian community living in Goulburn will come together for Mass and an evening meal.

I look forward to hearing from you further and do hope that you will be able to be present on the 24th.

Yours sincerely,

Tony Lamma

(TONY LAMARRA),
MAYOR.
