Mr. R. J. Hawke,  
Prime Minister of Australia,  
Parliament House,  
CANBERRA. A.C.T. 2600.

My Dear Prime Minister,

It gives me great pleasure to introduce to you Mamma Lena and her most interesting new book "70 Years of Life in Two Countries - Italy and Australia".

I can think of no one better qualified to compile a publication of this nature. Mamma Lena has been an Australian resident for more than 30 years, living in the Sydney area.

During that time she has become something of a legend in the ethnic community, helping people to meet social and cultural changes after arriving in Australia.

In commending this book and it's author, I am confident that you will find it an excellent representation of an important aspect of our diverse community.

With kind personal regards,

*Tony Lamarra J.P.*
