To Dear "Mamma Lena",

I take this opportunity of thanking Dino and yourself for your good wishes on our Wedding day. The day was very special to us both and all went wonderfully. I enclose a couple of photos which I thought you would like to keep.

I also thank you for the "70 Anni Di Ricordi". Our family will treasure it.

Gina has recently given birth to her first baby - a son Luke William Rutherford. Both are well. He is very beautiful.

The rest of the family are all well.

David and I are living in our own home in the suburb of Scoresby. Close to Mum.

We have settled into married life nicely and all is going extremely well.

David works as a Car Salesman and I am a Secretary in a firm of Chartered Accountants. We are very happy.

I apologise for the delay in sending this thank you.

Hoping this finds you both well and once again thank you for everything.

Please accept the Bomboniere enclosed.

Goodbye for now - keep in touch.

With love from your Goddaughter,

Lena Payne (Faella)
