Dear Mamma Lena

It is with much pleasure that we invite you to once again conduct our "BINGO" sessions together with Rocco Costa every Wednesday at 11am.

As always we respect and value your contribution to the club very highly and look forward to a long and fulfilling participation.

We have had numerous enquiries regarding "BINGO" and we are always happy to mention your association with this very popular pastime.

If necessary we would gladly arrange any means of transport either by taxi or arrangements can be made to have you picked up and dropped off.

Kindest regards
