Unfortunately I can not be with you today due to a previous commitment. I would like to send warm wishes and congratulations to you "Mama Lena" on your 80th birthday.

Your commitment to the Italian community over the years is worthy of commendation.

To my Italian friends I hope you enjoy today's festivities. Each one of you deserves to be congratulated for your service to the community and your efforts to ensure this State prospers in all facets of community, religious, artistic and business life.

My congratulations also go out to the committee and members of the Apia Club, one of the Italian community's great institutions. Happy 34th birthday. I am only sorry I can't be with you to join in the celebrations.

I look forward to continuing to work for the benefit of the Italian community to ensure the best possible future for all of you.

Warm regards,

Michael Photios,

Wonder if hope that the State Govt
will be able to announce some good
news in the future in relation to the RADIC!
