**CONGRATULATORY MESSAGE FROM
THE HON GEORGE PACIULLO, OAM,
MAYOR, CITY OF LIVERPOOL**

Dear Mamma Lena,

Speaking both personally and on behalf of Liverpool City Council, it gives me enormous pleasure to extend the warmest possible good wishes and congratulations to you on the wonderful occasion of your 87th birthday.

I cannot think of any one person who has done more than you to nurture the welfare and cultural life of the Italo-Australian community.

At the same time, you have helped to change the attitudes and perceptions of government authorities by instilling in them a crucial appreciation of the needs and expectations of new settlers in this country. In addition, you have played a major role in fostering the aims of multi-culturalism and forming the vibrant society that is the hallmark of modern Australia.

As you are joined by family, friends and colleagues on this very special evening, may I wish you good health and continued happiness for many more years to come.

Very best regards,

The Hon George Paciullo, OAM
MAYOR
CITY OF LIVERPOOL
