

**Fatima (1917)**

Little Jacinta Maria (at right) is carried after the "miracle of the sun,"

Oct. 13, 1917. Below, from left, Jacinta, 7, her brother Francisco, 9, and their cousin Lucia dos Santos, 11, are shown at about the time of the apparitions.

NC photos

NC photos from UPI

Only Lucia survives, as a nun, here visited by Pope John Paul in 1982. Jacinta and Francisco died soon after, as the Lady had predicted, but their parents, Ti Manuel and Tia Olimpia Maria (at left), lived on for another fifty years.
