Il mondo della televisione è interessante, ma di questo mondo si vede ben poco in Australia, qui, vediamo gli usi ed i costumi dell'Inghilterra, vediamo il mondo americano, ma ben poco dell'Europa, cioè dalla Scandinavia per esempio al Mediterraneo, dal Portogallo alla Polonia dal Medio Oriente, all'Asia ecc.

Da ora in poi tutte le informazioni in merito a queste interessanti Nazioni le potremo avere guardando il nuovo canale televisivo Numero 5 - Ho sono Mamme Leus, ed è con immenso piacere che vi porto ora... un po' in giro... attorno al mondo... con alcuni programmi straordinari che sono stati organizzati per voi... sono i migliori programmi d'oltre mare con qualcosa di piacevole per tutti... La scelta è difficile... da dove incominciamo? -- beh... Cominciamo dal mondo dei bambini! ---

PRESENTER CASTING

AUDITION SCRIPT

There's a whole exciting world of television that we never see here in Australia. We have so much from Britain and America, but so little of television as it is in Europe... from Scandinavia to the Mediterranean... from Portugal to Poland or in South America...the Middle East...and Asia. Now you'll be able to see it all on the new fifth channel.

My name's <sup>G'm</sup>.....and I'd like to take you...well... on a tour around the world...with just a few excerpts from some of the programmes we have in store for you, the very best of overseas programmes with something for everyone.

In fact there's so much I hardly know where to begin...so...let's start with the children...

NOTE:

This script is for audition only.
