

ASS. of Ethnic BROADCASTERS & COORD.

MOTIONS PASSED BY THE EXTRAORDINARY GENERAL MEETING AT CO.AS.IT. HALL ON MAY 7, 1981

ATTENDANCE: 34 groups out of 36 were represented

Motion 1: The Association calls for an immediate public inquiry into the operational and structural aspects of SES as they relate to ethnic broadcasting and broadcasters/coordinators, including the background to the dismissal of the Italian coordinator.

Motion 2: The Association passes a motion of confidence in Mr Pino Bosi and continues to recognise him as Chairman until such time as his dismissal by SES is proved justified to a public inquiry.

Motion 3: The Association requests the immediate reinstatement of Mr Pino Bosi as co-ordinator and broadcaster pending the holding of the public inquiry into SES and in particular the circumstances surrounding Mr Bosi's dismissal. Failing his reinstatement by the 14th May, 1981, this Association will have no alternative but to take the appropriate industrial action.

In the Chair, Vice Chairman Antoine Pullicino
