Dear Lena,

I am writing to you after quite a long time. I still listen to your programme regularly. This time I am writing not to ask for a request but to enter a new group from Geelong, in your competition Festival in the Home. They call themselves "THE REFLECTIONS". This group has been known to us in Geelong for only a short time. They were discovered by a friend who heard them and asked them to play at a dance on the 17th October, 1970, that was the first time they played in public. Since then they have played at Dances, 21st Birthday Parties, Wedding Receptions and other social gatherings and in such a short time have become very popular.

The names of the boys in the group are:-

JOE BUCOLO - Bass Guitarist - 23 years old
EMILIO BOCCHETTI - Drummer - 15 " "
OSVALDO MADDALENA - Lead Guitarist - 18 years old
CHARLIE ARENE - Piano Accordion - 15 years old.

The first number they are presenting is an instrumental RAGAZZINA, RAGAZZINA, the second is a song sung by Osvaldo Maddalena, called IO SONO BUGIARDO, the third and fourth songs are also sung by Osvaldo, they are, SOLI SI MUORE and ODIO ME. The fifth and final song is sung by Emilio Bocchetti, it is called THE BALLAD OF JOHN AND YOKO.

I hope that the Reflections please the judges.

Best wishes to you and all at 2 CH.

Yours sincerely,

Angelina
