

The Australian Electoral Returning Office,
Division of Lowe,
15 Belmore Road,
BURWOOD, 2134.

Dear Sir,

Enclosed please find copy of a newspaper "TUTTO PRESS SPORT" of the 26th February on which you will notice on page 13 an advertisement with my photograph etc, etc.

Let me first explain that neither myself, my campaign director, nor any person connected with me, to the best of my knowledge, authorized the placement of this advertisement in any form whatsoever. Furthermore the advertisement quite apart from being monstrous in its appearance, clearly implies when translated, something quite obscene.

As the Candidate involved, I would ask that your office summons the newspaper in question, in order to establish the source of this humiliating advertisement and institute immediate proceedings against that party and advise me accordingly.

Yours faithfully,

C. C. to the Attorney General - Senator Durak
C.C. to the Electoral Office,
162 Goulburn Street,
SYDNEY. 2000.
