8th November, 1990

Dear Sir/Madam,

We wish to thank you in allowing us to participate in this petition, which we feel is necessary to our multi-cultural society.

We hope that with our petitions and the support of others it will enable the ITALIAN LANGUAGE to be continued in the High Schools.

In recognising our concern we greatly appreciate your assistance and wish you every success with favourable results.

Yours faithfully,

Charlie Zollo  
for & on behalf of the  
Lions Club of Adelaide Italian
